**FIG. 6**

FIG. 7 is a perspective view of the keyboard 100 in an open position. The keyboard 100 includes a base 1, a keycap 2, and a keycap 3. The keycap 2 is shown in a first position, and the keycap 3 is shown in a second position. The keycap 2 is shown in a third position, and the keycap 3 is shown in a fourth position. The keycap 2 is shown in a fifth position, and the keycap 3 is shown in a sixth position. The keycap 2 is shown in a seventh position, and the keycap 3 is shown in an eighth position. The keycap 2 is shown in a ninth position, and the keycap 3 is shown in a tenth position. The keycap 2 is shown in an eleventh position, and the keycap 3 is shown in a twelfth position. The keycap 2 is shown in a thirteenth position, and the keycap 3 is shown in a fourteenth position. The keycap 2 is shown in a fifteenth position, and the keycap 3 is shown in a sixteenth position. The keycap 2 is shown in a seventeenth position, and the keycap 3 is shown in an eighteenth position. The keycap 2 is shown in a nineteenth position, and the keycap 3 is shown in a twentieth position. The keycap 2 is shown in a twenty-first position, and the keycap 3 is shown in a twenty-second position. The keycap 2 is shown in a twenty-third position, and the keycap 3 is shown in a twenty-fourth position. The keycap 2 is shown in a twenty-fifth position, and the keycap 3 is shown in a twenty-sixth position. The keycap 2 is shown in a twenty-seventh position, and the keycap 3 is shown in a twenty-eighth position. The keycap 2 is shown in a twenty-ninth position, and the keycap 3 is shown in a thirtieth position. The keycap 2 is shown in a thirty-first position, and the keycap 3 is shown in a thirty-second position. The keycap 2 is shown in a thirty-third position, and the keycap 3 is shown in a thirty-fourth position. The keycap 2 is shown in a thirty-fifth position, and the keycap 3 is shown in a thirty-sixth position. The keycap 2 is shown in a thirty-seventh position, and the keycap 3 is shown in a thirty-eighth position. The keycap 2 is shown in a thirty-ninth position, and the keycap 3 is shown in a fortieth position. The keycap 2 is shown in a forty-first position, and the keycap 3 is shown in a forty-second position. The keycap 2 is shown in a forty-third position, and the keycap 3 is shown in a forty-fourth position. The keycap 2 is shown in a forty-fifth position, and the keycap 3 is shown in a forty-sixth position. The keycap 2 is shown in a forty-seventh position, and the keycap 3 is shown in a forty-eighth position. The keycap 2 is shown in a forty-ninth position, and the keycap 3 is shown in a fiftieth position. The keycap 2 is shown in a fifty-first position, and the keycap 3 is shown in a fifty-second position. The keycap 2 is shown in a fifty-third position, and the keycap 3 is shown in a fifty-fourth position. The keycap 2 is shown in a fifty-fifth position, and the keycap 3 is shown in a fifty-sixth position. The keycap 2 is shown in a fifty-seventh position, and the keycap 3 is shown in a fifty-eighth position. The keycap 2 is shown in a fifty-ninth position, and the keycap 3 is shown in a sixtieth position. The keycap 2 is shown in a sixty-first position, and the keycap 3 is shown in a sixty-second position. The keycap 2 is shown in a sixty-third position, and the keycap 3 is shown in a sixty-fourth position. The keycap 2 is shown in a sixty-fifth position, and the keycap 3 is shown in a sixty-sixth position. The keycap 2 is shown in a sixty-seventh position, and the keycap 3 is shown in a sixty-eighth position. The keycap 2 is shown in a sixty-ninth position, and the keycap 3 is shown in a seventieth position. The keycap 2 is shown in a seventy-first position, and the keycap 3 is shown in a seventy-second position. The keycap 2 is shown in a seventy-third position, and the keycap 3 is shown in a seventy-fourth position. The keycap 2 is shown in a seventy-fifth position, and the keycap 3 is shown in a seventy-sixth position. The keycap 2 is shown in a seventy-seventh position, and the keycap 3 is shown in a seventy-eighth position. The keycap 2 is shown in a seventy-ninth position, and the keycap 3 is shown in an eightieth position. The keycap 2 is shown in an eighty-first position, and the keycap 3 is shown in an eighty-second position. The keycap 2 is shown in an eighty-third position, and the keycap 3 is shown in an eighty-fourth position. The keycap 2 is shown in an eighty-fifth position, and the keycap 3 is shown in an eighty-sixth position. The keycap 2 is shown in an eighty-seventh position, and the keycap 3 is shown in an eighty-eighth position. The keycap 2 is shown in an eighty-ninth position, and the keycap 3 is shown in a ninetieth position. The keycap 2 is shown in a ninety-first position, and the keycap 3 is shown in a ninety-second position. The keycap 2 is shown in a ninety-third position, and the keycap 3 is shown in a ninety-fourth position. The keycap 2 is shown in a ninety-fifth position, and the keycap 3 is shown in a ninety-sixth position. The keycap 2 is shown in a ninety-seventh position, and the keycap 3 is shown in a ninety-eighth position. The keycap 2 is shown in a ninety-ninth position, and the keycap 3 is shown in a hundredth position.
